President's Letter - Kim Klempner

I'd like to start off with our drainage issues, we'll get started mid March clearing out our plugged up ditch. We'll try not to be too intrusive, March is our dry month to do this work, I'll try not to close field during our work.

Sunday March 25th 9:00am, Mike Hague will host a fun fly benefit for Cody's ball team. We'll have hotdogs and hamburger's, chips, drinks. It sounds like Mike will have several events to compete in. More to come on

SAFETY OFFICERS REPORT

The safety committee would like to thank everyone for another month of safe flying.

Remember all planes must be placed beyond the white start line of the taxiways prior to taxi. No planes will be under power behind the white line as this could pose a safety hazard for pilots at the flight stations.

Thanks again and let's have fun and fly safe.

Your safety committee,

Butch, Tom & Dennis
