**President's Letter - Kim Klempner**

> Another year is about to pass, and CSMS will have a new lineup to lead us thru the next year. The proposed line up for next years officers will be David Grantham President, Jerry Alexander VP, Hal Lane treasure (moneyman), Ron Happe secretary(wordman), Eddie Mattingly Board, Butch Wanderlich Board, I'd like to wish all you good luck with the coming year. The voting for these officers will be held at the meeting this Saturday Dec 1<sup>st</sup>. Any additional nominations for these offices will be accepted at that time.

Last years group did achieve a few things during this past year, 2 zero turn mowers, new fence, well for water maintenance, dressed up the shed with cabinets, new charging stations for our battery's, and Dennis Quellette fixed our road coming in. I'm sure there's more, > enough said.

> I would like to thank all officers and board members for all the great help, wouldn't have been able to do without your help. A special thanks to David Grantham for all your extra help across the board, thanks David.

> I would like to remind our members about December 9th, the shell creek field is having a fun fly, Flex Innovation's people there to demonstrate their new line up of planes. Let's help support our friends at 17 Club.

> Thanks for letting me be your president, look forward to seeing you at the next meeting December 1st.

Kim Klempner Pres. CSMS
