us for Super Bowl Sunday event, February 4th 2018. Swap meet and Fun Fly with a few new events to try we'll also fire the grill up for hamburgers and hot dogs.

I have one more project to get finished before the wet season gets here, to work on our drainage problems. Anyone with any idea's for events or things to do, I will take them to the board. I look forward to seeing you at the next event , come join us and support your club.

P.S. don't forget those dollars in the till for the drinks and coffee.

President's Letter - Kim Klempner

I would like to welcome our Northern Members back from the freezing cold, it looks like our weather is just a bit better to fly in.

Our maintenance guys have got our non potable well working, we can now keep our equipment and furniture clean. We also have our compost toilet functioning, still a bit to do, but works.

I had to cancel pot luck lunch due to lack of calls, cold weather and a lot of people were sick, I'll try again next late next month. Don't forget to join

KimKim Klempner Pres. CSMS

SAFETY OFFICERS REPORT

Happy new year to all from your Safety Committee. In 2018 we will have a new Safety Committee. The Committee will consist of three members as per our by-laws. The responsibility of the Committee will be to insure the safety of our members and our guests at all times. This will be done by assuring adherence to all applicable AMA & CSMS safety codes. We will review and add, delete or modify safety codes as required. We will always seek input from all club members on these issues. The intent of the Safety Committee will be to inform and educate members. We will minimize safety codes when and where possible while maintaining a safe flying environment. We expect all

members to follow safety codes and fly in a safe manner. Thanks for your co-operation. Your Safety Committee.

Dennis Ouelette, Safety Officer

In 2018 we will have a new Safety Committee.

The Committee will consist of three members as per our by-laws.

The responsibility of the Committee will be to insure the safety of our members and our guests at all times. This will be done by assuring adherence to all applicable AMA & CSMS safety codes.

We will review and add, delete or modify safety codes as required. We will always seek input from all club members on these issues.

The intent of the Safety Committee will be to inform and educate members. We will minimize safety codes when and where possible while maintaining a safe flying environment. We expect all members to follow safety codes and fly in a safe manner.

Thanks for your co-operation.

Your Safety Committee.

Dennis Ouellette

Tom Emery

Butch Wanderlich

We are enclosing a copy of the safety section for your review.

Section-6 Safety Committee Chairman/Safety Officer: The Safety Committee Chairman/Safety Officer shall be responsible for chairing the safety committee of three and the Grievance Committee, ensuring existing safety rules are enforced, and may vote only to break a tie. This includes processing grievance forms and following the basic grievance procedure documented in the sample By-Laws recommended by AMA January 9,2002 for adoption by all chartered clubs, together with any additional grievance procedures adopted by CSMS. The Grievance Committee shall consist of the Board and the Safety Committee.

Upcoming Events

CSMS next meeting is on February 3rd at field at 9:00 AM. Plan to come to the field and fly early and then attend the meeting.
