We received this letter from Ed Lips
family and would like all members who
would like to respond to please do so:

TO ALL OF YOU WHO HAVE BEEN
CORRESPONDING WITH EDWIN &
COLLEEN LIPS THE PAST FEW YEARS:

This letter is coming to you from their
sons and daughter-in-law Ed and Mary and
Kevin and Sue We wanted to let you know
that earlier this year our mom and dad

took a turn for the worse regarding their
mental and physical well-being. By the
middle of 2018, we needed to move them
into an Assisted Living (Memory Care)
Facility for their safety.

At this time, they are still adjusting to
the facility and their new surroundings.
Unfortunately, visitors still tend to upset
their routine and set them back in their
adjustment and therapy process.

We encourage you to send our parents
Christmas cards and/or personal
notes/letters to the below address and
we will have them hand-delivered in time
for Christmas.

Thank you for your time and patience in
this process.

Ed and Mary

Kevin and Sue

Please address all cards/notes you would
like delivered to our parents as follows:
