## President's Letter -

The next meeting will be this Saturday, October 3rd at 9 o'clock at the Airfield please come out and join us at our meeting and have some fun flying. You will be notified if field is closed due to wet conditions before meeting if possible

Again due to the virus that going on there have not been much going on at airfield There have been very few people come out and fly. We are trying to keep our social distance minimum of 6 feet and trying to be safe out there. Y'all come out and join us and have a good time

David Grantham, President

## SAFETY OFFICERS REPORT

Well guys I just got back a couple weeks ago. The weather has not been cooperating unless you want to fly a float plane. It has been extremely hot so

hydrating is very important. Hopefully the weather will change and we can all get back to having a great time. In the mean time don't forget the meeting this saturday. Remember no flying over the runway unless landing, and please call all take offs and landings. That's about all I have so be safe and have a good time.

Dave, Rod, Kim & Wilf

\*\*\*\*\*
