President's Letter -

David Grantham

To all club members, the next meeting will be October 5 2019 at 9:00, There is not much going on out at the field. Just been way too hot for some of y'all to come out to fly I hope for cooler weather in October or November to see everyone back at the field flying. Don't know when, but the road to the field well be worked on and we may have to shut the field down for a few days for them to do the work, I'll let y'all know when I find this out from Sam Stone. Don't forget that we have an air show on November 23 at the field. K & K Hobby
