CSMS December Club Meeting 9:00 am Saturday December 3, 2022

President Report

Will this ever stop? I'm talking about the rain! The 2022 Florida reported rainfall before Ian was 16 inches above average. I have not heard what that figure is after Ian and now we can add at least two heavy rains since then. The water table has risen to the surface and any rain at all causes flooding. As proof, at our Board Meeting this month at the Deep Creek Park, the rain started and in no time it was flooding the concrete pavilion!

The December meeting is our last of 2022 and I want to thank our Vice President. Lee Ramsdell was always there when I needed sound and reasonable advice. And our Secretary Bonnie Scalley with her "we can find a way to get it done". And Treasurer Carol Reesor (of course no surprise here) always gives her best at what ever she does. And I thank all three Board Members Mark Skelly, David Grantham and Dennis Kirk for the good advice and the willingness to do the job. And our Safety Officer, David Leifeit who had no reported injuries on his watch. Way to go Brother Dave.

I would like to take this opportunity to thank all members that stepped up to help when help was needed. Wilf Tobin, Barry Wilhite, Kim Klempner, Jim Palminteri, Ruben and Debbie Pastain, Tim Dyal, Steven Glowicki, Bart Hutchison, Eric Johnson, Rodney Leifeit, Len Bruley, Dave Kinhart, Damon Roy, Steven (Chuck) Jackson, Dave Scalley, Linda DeMarco and Julian Naylor.

"A Very BIG Thank You" to members that have stepped up and made donations for the "Rebuilding Our Airfield Fund": Seth Arnold, Rod Leifeit, Wilf Tobin, Eric Johnson, Alex Sutrop, Jim Palminteri, Ruben and Debbie Pastain, and Roland Martins. And last but not least I thank AMA for their generous check.

2023 CSMS Officers and board Members will be elected at the December 3, 2022 meeting. Please think about serving the club.
