Vice-President Report:

Another month has come and gone. Not near as much mowing to do, thankfully. More dry days than rainy ones. Thanks to David Grantham for removing the old refrigerator from the club house. And thanks to Bonnie and Dave Scalley for the new (to us) frig. The **Welcome Back Snowbird Fun-fly** has been rescheduled for **Saturday, November 27, 2021**. That's the day after K&K Hobby Shop has their annual Swap-Shop. Please update your calendar. Let's go flying!

V.P - Eddie D. Mattingly

Welcome Back Snowbirds Fun-fly and Swap Shop:

I'd like to welcome back our northern members. We are having a fun fly, cook out, probably the same bad menu November 27th 9:00am. Any ideas for the fun fly events we'll help. Anyone wanting to run for officer positions please let me know. I'll be back in touch with more information soon for fun fly. Kim Klempner

Safety Officer Report:

Welcome back new members and snow birds. We have had some excellent flying weather this month. We have had good turn outs almost every day. You have been safety minded because there are no incidents to report and best of all I haven't had to say anything to anyone. Come out and have fun we have the best bunch of guys and gals you could ask for in a club this size. Read over the rules and I won't have to keep repeating them. Remember our meeting that is coming up the first of the month, we like to see everyone there, that way you have a say in whatever the club is discussing. So keep it safe and have fun and don't forget if your wheels are on top its best to have them on the bottom when you land.

Chief Safety Officer - Dave Leifheit

So good to have the Leifheit brothers back with us again. We missed you guys!
